processes

Overview of Capacity-Building Support Delivered on the Two-Pillar Solution in 2024

43 multilateral events across Africa, Asia-Pacific, Europe, Latin America, the Caribbean and the Middle East reaching over 6500 participants

- **19** regional events (7 co-hosted)
- **4** Pillars Knowledge Sharing Network sessions on Amount B and GloBE
- **15** training events on the Pillars including in-person and virtual
- **5** multilateral interactive workshops on the GMT and economic impact assessment in small country groups

57 developing countries received bilateral support across all aspects of the Pillars

- **9** Pilot Programmes on the GMT and Tax Incentives
- **16** IF and non-IF members received support on tax incentives
- On-site missions, training sessions, workshops in **Africa, Asia-Pacific, Europe** and **LAC**

Economic Impact Assessment (EIA)

- **71** developing countries received revised jurisdiction-specific revenue estimates of the GMT and methodological notes to conduct their own internal EIA
- **EIA** methodology of **Pillar Two** was published in both **English** and **French**

E-learning

- Updated E-learning module on the **GloBE Rules** in **French** and **Spanish**
- Recorded webinars on the **STTR** in **Arabic, English, French** and **Spanish** as well as on **Amount B** in **English** and **French**

Looking ahead

Continues engagement with development partners

Increase the number of smaller multilateral capacity-building activities across all aspects of the Two-Pillar Solution

Continues to integrate support for the implementation of the Two-Pillar Solution into established bilateral programmes as well as new ones

Ensure that support is available in as many languages as possible

Maintain the balance between in-person training and virtual events depending on countries' needs

THANK YOU
