ARRIVAL AND DEPARTURE INFORMATION

Delegates are kindly asked to organise and cover the cost of their transport from the airport to the hotel and back.

Arrival at the Airport

The Budapest airport is officially called "Liszt Ferenc International Airport". There are two terminals at the airport: 2/A and 2/B. Whichever way you decide to take to the hotel, it is helpful to note which terminal you have arrived at and which terminal your returning flight will leave from to make sure that you do not end up in the wrong terminal. The distance of the Hotel from Liszt Ferenc International Airport is 25 km.

By Public Transport

Customer Service Points of BKK Centre for Budapest operate at Liszt Ferenc International Airport's Terminal 2A (daily from 8:00-22:00) and Terminal 2B (daily from 8:00-21:00). English-speaking attendants will be at your service with useful information on transport and tourism. Several types of tickets and passes are available for purchase at the airport. Tickets and travel cards can be easily purchased from BKK's vending machines available at every metro station and many tram/bus stops as well using your credit card.

Please find the ticket/travel card types and prices [here](#). The public transport trip planner can be found [here](#).

We suggest taking the following route:

1. Take bus No. 100 E at Liszt Ferenc Airport 2 (arrival floor) to the station "Astoria" (2 stops);
2. Take metro No. 2 (red line) - direction Örs vezér tere M+H - to "Blaha Lujza tér",
3. The hotel is a 3-minute walk (150 m) from "Blaha Lujza tér".

of Tax Administrations

By Taxi

Fares for licensed taxis in Budapest are standardised, which means there is no difference in fares between taxi companies from/to the Liszt Ferenc International Airport and within Budapest. The fare from the airport to the hotel is about HUF 10,000. Your taxi fee adds up from an initiation fee of HUF 1100, a travel fare of HUF/km 440 and a waiting fee of HUF/minute 85.

The biggest licensed taxi companies are: Főtaxi: tel. +36 1 222 2 222, City Taxi: tel. +36 1 2 111 111, and Budapest Taxi: tel. +36 1 777 7 777.

IMPORTANT! Unfortunately, in Hungary, there are many illegal taxis so please only use the above companies.

There is an application as well, called 'Bolt' which can be used as well. You can download the app via the following links:

- for [iOS](#)
- for [Android](#)

By Airport Shuttle

Passenger pickup [airport shuttle service \(MiniBud\)](#) counters are located on the arrivals level of Budapest Airport. Within half an hour of registering at their counter, you will be on your way. On-board services include a free Wi-Fi network. You will be dropped off at the hotel or the address specified in your booking.

INSURANCE & SECURITY

It is strongly recommended that participants take out adequate cover for health, travel and private liability insurance. The organizers do not take any responsibility for personal injury, loss or damage to private property belonging to the participants. Do not leave personal belongings unattended at any time.

In case of an emergency please find below some useful telephone numbers:

112 – Common emergency telephone number

104 – Ambulance

105 – Fire Brigade

MONEY

The Hungarian national currency is called Forint (HUF). The current exchange mid-rate is:

1 EUR = 400 HUF. At the airport, there is a foreign exchange office, and it is advisable to change some money. In the centre of Budapest, there are several exchange offices available and offer better rates than at the airport. It is best to find exchange offices without commission. Major credit cards are usually accepted in most hotels, restaurants and certain shops in the city.

Obtaining cash against ATM cards (or credit cards, but this is more expensive) is very easy in Budapest from Bankomats that can be found at most bank offices, hotels or on the street.

VISAS

Participants are responsible for obtaining all necessary visas prior to entry to Hungary. On request, IOTA will send individual invitations to be used for that purpose. The host administration cannot offer any assistance in unresolved matters

ELECTRICITY

The electric current in Hungary is 230 Volts. In case you intend to use any of your own electric devices (phone charger, laptop etc.) please consider taking with you an adapter which fits a Central European standard shockproof socket.
