![IOTA | Intra-European Organisation of Tax Administrations]

IOTA Forum on Tax and Customs Data Science "From Data Governance to AI Governance"
2-3 June 2026 Digital Meeting via Microsoft Teams

DRAFT AGENDA

	TUESDAY, 2 JUNE 2026

09:30 – 10:00	**Connection and access to the event by registered participants** ❯ Registered participants
10:00 – 10:10	**Welcome Address & Introduction to the Workshop** ❯ IOTA Secretariat
10:10 – 11:10	**Plenary Session 1: International approaches and country initiatives on AI Governance** *This session will explore the initiatives of international organisations/associations and the experiences of IOTA members on AI governance, focusing on key components: the ethical principle-based framework; the security and privacy policies on data, models, infrastructure, systems; and management of multiple data sources.* ❯ International organisations/associations ❯ Country Presentations
11:10 – 11:20	***Coffee Break***
11:20 – 12:10	**Plenary Session 2: Real use cases regarding tax and customs data analytics and AI-based automation** *The session will focus on specific methodologies and case studies that can be used in the scientific analysis of tax and customs data. Real use cases/proofs of concept regarding data analytics and AI-based automation will be showcased.* ❯ Country Presentations
12:10 – 13:00	**Plenary Session 3: Research expertise for digital upskilling of tax officials** *Human resources are at the core of digital transformation. This session will facilitate learning for enhanced digital competencies of the participants to adapt to technological advancements and country perspectives on upskilling and building capacity.* ❯ Academia
13:00	**End of Day 1**

09:30 – 10:00	**Connection and access to the event by registered participants**
	❯ Registered participants

10:00 – 10:10	**Introduction to Day 2**
	❯ IOTA Secretariat

10:10 – 11:00	**Plenary Session 4:** Stakeholders' collaboration

This session will explore approaches related to the management of key stakeholders for designing solutions in the context of AI Governance, respectively collaboration of data scientists, tax officers/business process owners, taxpayers, and software developers.
Real success stories/lessons learned on stakeholders collaboration for building AI-based solutions will be showcased.

❯ TBD

11:00 – 11:15	**Coffee Break**

11:15 - 12:30	**Group Discussion:** Challenges and lessons learned for efficient deployment of AI solutions

In this virtual breakout group session, the participants will share their own expertise on the implementation challenges and possible future developments of AI solutions, as well as practices and methodologies on AI Governance.

❯ Discussions in virtual breakout groups

12:30 – 12:45	***Break for preparing the presentations of the Group discussions***

12:45 – 13:15	**Plenary Session 5:** Feedback from Group Discussions

The outcomes of the Group Discussions will be shared with the plenary group. Participants will have the opportunity to ask questions or seek clarification on any feedback given.

❯ Chairpersons of Discussion Groups
❯ IOTA Secretariat

13:15 – 13:30	**Wrap-up & Conclusions**

Summary of key takeaways and concluding remarks.

❯ IOTA Secretariat

13:30	**End of the Workshop**
