ARRIVAL AND DEPARTURE INFORMATION

Delegates are kindly asked to organise and cover the cost of their transport from the airport to the hotel and back.

Arrival at the Airport

The Budapest airport is officially called “Liszt Ferenc International Airport”. There are two terminals at the airport: 2/A and 2/B. Whichever way you decide to take to the hotel, it is helpful to note which terminal you have arrived at and which terminal your returning flight will leave from to make sure that you do not end up in the wrong terminal. The distance of the Hotel from Liszt Ferenc International Airport is 25 km.

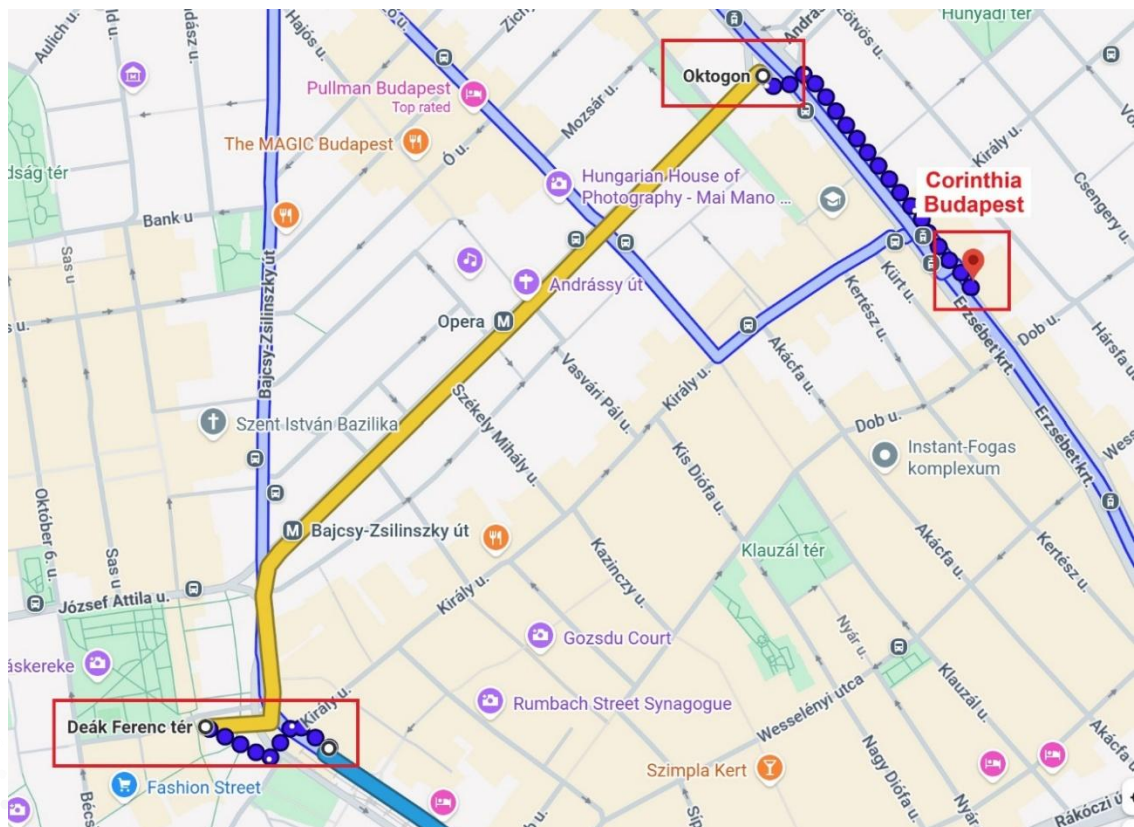

By Public Transport

Customer Service Points of BKK Centre for Budapest operate at Liszt Ferenc International Airport’s Terminal 2A (daily from 8:00-22:00) and Terminal 2B (daily from 8:00-21:00). English speaking attendants will be at your service with useful information on transport and tourism. Several types of tickets and passes are available for purchase at the airport. Tickets and travel cards can be easily purchased from BKK’s vending machines available at every metro station and many tram/bus stops as well using your credit card.

Please find the ticket/travel card types and prices [here](#). The public transport trip planner can be found [here](#).

We suggest taking the [following route](#):

1. Take bus No. 100 E at Liszt Ferenc Airport 2 (arrival floor) to the station “Deák Ferenc tér” (3 stops);
2. Take the world-famous metro line M1 from station “Deák Ferenc tér” to Oktogon (3 stops).
3. The hotel is a 6-minute walk (400 m) from the station.

By Taxi

Fares for licensed taxis in Budapest are standardised, which means there is no difference in fares between taxi companies from/to the Liszt Ferenc International Airport and within Budapest. The fare from the airport to the hotel is about HUF 11,000. Your taxi fee adds up from an initiation fee of HUF 1100, a travel fare of HUF/km 440 and a waiting fee of HUF/minute 110.

The biggest licensed taxi companies are: Főtaxi: tel. +36 1 222 2 222, City Taxi: tel. +36 1 2 111 111, and Budapest Taxi: tel. +36 1 777 7 777.

There is an application as well, called 'Bolt' which can be used as well. You can download the app via the following links:
